

“WHO’s” got the news?

Mrs. Calmes' Newsletter

Week 8

Check out what's happening...

Students were super excited to have filled their class bucket. They voted on how to celebrate and chose to have an ice-cream party. It was delicious. I posted pictures on twitter. This week is fire prevention week. We will be discussing fire safety this week. Students will also attend an assembly on Friday regarding fire safety.

Content Updates...

Reading: We will be reading the story *Life In the Ocean*. Students will learn how to use a Venn Diagram to compare and contrast.

Math: This week in math we will review numbers 0-10 and the vocabulary words we have learned so far.

Sight words/ Phonics: This week the words *have, is, one and two*, will be added to your child's word ring. We will also learn the phonics dance chants for the letters *x, y, and z*. I will try to get the remaining letters put on your child's ring by the end of the week.

Science: This week in science we will be discussing living and non-living things. We will be using a checklist to determine if something is living and non-living. We will be observing seeds and mealworms and will determine if they are living or non-living.

Dates to give a HOOT about...

October 14th- pictures

October 22nd & 23rd Evening Conferences

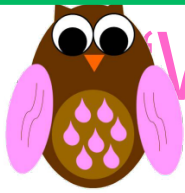

October 24th No School Conferences

October 31st Pumpkin run @1:00 followed by costume parade and classroom parties.

"WHO's" got the news?

Reminders...

- I will be sending out conference dates and times on Monday. If the time and date you are given does not work for you, contact me and we will work something out.
- Friday is the last day of the 1st quarter.
- There are lots of things happening over the next few weeks, be sure to check your child's folder daily, so you don't miss anything!
- As the temperatures begin to drop, please make sure your child is dressed appropriately for outdoor recess.

Math Tip: IXL.com is a math website that allows students to practice math skills. The student can complete 20 problems each day for free. This is also an app we use in the classroom.

Who who can ...

These are the "I can" statements we will be working on this week!

I can identify the letters of the alphabet.

I can identify words that begin with the letter a.

I can read my sight words.

I can identify numbers 0-10.

I can tell if something is living or non-living.

Activity Schedule

Monday: Music
Tuesday: PE
Wednesday: Library
Thursday: Art
Friday: Music
