Check out what's happening...

It is hard to believe, but we are half way through the third quarter. I will be sending home a mid-term on Friday that will show the skills we are working on and the areas where your child may need additional practice. If you have any questions, please let me know.

Friday marks our 100th day of kindergarten. We will celebrate this fun day with a variety of math and literacy activities, all focused on the number 100! Be sure to follow me on twitter to see [pics of all the fun.](#)

[mrscalmes](#) nw.

Reading: This week we will be reading [My Lucky Day](#) and [Pete the Cat I Love My White Shoes](#). We will be working on identifying examples of cause and effect.

Math: This week we will practice solving addition and subtraction story problems. We will also be reviewing teen numbers and work on representing teen numbers on a tens frame.

Phonics/Sight words: This week we will be reviewing the letter l and will begin working with beginning consonant blends. This is when two consonants are blended together like the "bl" in the word black.

Science: This week in science our focus will be the day and night sky. We will complete an activity that demonstrates how we get day and night!

Dates to give a HOOT about...

February 13th- 100th day of school celebration

February 13th Valentine's day party @ 2:10

February 16th No school, Presidents' Day

February 18th and 19th Evening conferences

“WHO’s” got the news?

- Reminders...
- Friday marks our 100th day of kindergarten. Please be sure to have your child wear their 100’s day project on Friday.
- Friday is also our Valentine’s party. Your child may send in valentines for their classmates. We have 20 students, 13 boys and 7 girls.
- It looks like we will have some warmer temps this week and may get to go outside for recess. Please make sure your child is dressed appropriately for recess.
- Evening conferences will be held on February 18th and 19th. If you received a form, please return it as possible. If you did not receive a form but would like to have a conference please let me know.

Who, Who, Can...
These are the “I can” statements we will be working on this week!

- I can read the sight words.
- I can read and write three letter words.
- I can use a variety of strategies to solve addition and subtraction problems to 5.
- I can identify examples of cause and effect.
- I can write a four smiley face sentence.

Dental Health

Last week a dental hygienist came in to all of the kindergarten classrooms to talk about healthy dental habits. Each student received a dental pack along with a calendar. If the students bring their calendars back completed, they will be able to choose a prize! Happy brushing!

Activity Schedule

Monday: Music
Tuesday: PE
Wednesday: Library
Thursday: Art
Friday: Library
