Check out what's happening...

The students had a blast celebrating the 100th day of school and Valentine's day. Thank you to all of the parents that volunteered and sent in supplies.

This week in reading we will be working on sequencing events from a story. We will be reading The Little Red Hen Bakes a Pizza. On Friday we will be making our own pizzas and then using the iPads to take pictures of the steps and sequence them! Be sure to have your child tell you how to make a pizza in order.

Reading: We will practice sequencing events from a story. Our featured stories this week will be The Little Red Hen and The Little Red Hen Bakes a Pizza.

Math: This week we will be reviewing the teen numbers and will use show different ways to represent these numbers on the tens frame.

Phonics/Sight words: This week we will continue to work with beginning blends. "three", "four" and "five" will be adding the hunk and chunk "or" to our growing list.

Social Studies: This week we will be focusing on national symbols.

“WHO’s” got the news?

Reminders...

- Evening conferences will be held on February 18th and 19th. Conference dates and times were sent home on Thursday.
- Please be sure to check the snack calendar to see when your child has snack.
- Mid-term checklist will be going home on Tuesday. If you have an appointment for a conference I will be holding the checklist until conferences to review it with you.
- Homework will go home on Tuesday. Please let me know if your child needs a new homework folder, communication folder or word ring.

Who, Who, Can...

These are the “I can” statements we will be working on this week!

- I can read the sight words.
- I can read and write three letter words.
- I can use a variety of strategies to solve addition and subtraction problems to 5.
- I can sequence events from a story.
- I can write a four smiley face sentence.

Math and Reading Tip:

Shaving cream, food coloring and a little baby oil makes great bath paint. Your child can use it to practice writing words, sight words, writing teen numbers and/or to solve addition and subtraction facts!
