#### Check out what's happening...

This week we are learning about goods and services in social studies. To help the students understand goods and services, the kindergarten classes will all be making several goods. Next week students will get the opportunity to sell and buy goods. Students will earn money to shop through attendance and good behavior. Be sure to ask your child about their shopping experience.

I hope everyone has a Happy Easter and restful spring break.

**Reading:** We will be reading the *If you Give A series* by Laura Numeroff and we will use these stories to identify examples of cause and effect.

**Math:** We will wrap up our unit on measurement this week. Next week we will use jelly beans to sort, graph, add and create patterns.

**Phonics/Sight words:** The words “come” “said” “what” and “was” will be added to your child's growing list of sight words. We will also be focusing on the letter u and reviewing middle sounds.

**Social Studies:** Students will be learning about goods and services. Students will be making and selling goods to their kindergarten classmates.
