#### Check out what's happening...

I hope everyone had a safe and restful spring break. I am looking forward to seeing all of the students Monday morning and finishing out the school year.

As always it will be a busy couple of months as students wrap up their year in kindergarten. We are planning a field trip to the zoo at the end of May and will also be participating in Field Day which will be at the beginning of the month. As these events get closer I will provide more information.

**Reading:** We will be reading the stories The Little Engine That Could and The Pout-Pout Fish in the Big- Big Dark. We will be working on plot and characters this week.

**Math:** This week we will be working on classifying and categorizing by shape, size, color and count.

**Phonics/Sight words:** This week in phonics we will continue to review middle sounds. We will also add the hunk and chunk “oy” to our growing list of sight words.

**Science:** We will be identifying signs of spring and identifying spring weather patterns. We will also be discussing weather tools and will create a tool or two to use to measure the weather.
